

**Can your Dip Cup  
do **this?!****

**Treat 150  
cows with  
one fill!**

**Use 16 litres of dip per  
100 cows per month  
(about 150 cows per fill)**

**Guaranteed for 100%  
teat coverage to  
minimize dip expenses**

**\*Patent pending design  
Limits spilled dip**

**Transparent Upper  
Chamber confirms savings**

**Keep dip on  
the teats, not  
on the floor**

**All dip originates from the brush  
to paint dip onto the teat**
