Dairymac Kurtsan Automatic Swinging Cow Brush

The Kurtsan Cow Brush is produced to improve cow comfort and has a highly positive effect on animal health and total milk yield. Designed to improve cow health, comfort and welfare.

The Kurtsan automatic swinging cow brush starts to rotate on contact, is a revolution in cow care and cow comfort. The unique brush which rotates at an animal-friendly speed, swings freely in all directions, smoothly up, over and alongside the cow to provide comfort all around. The hard-wearing nylon bristles provide the right level of comfort while cleaning their hides and stimulating blood circulation.

Requires 220VAC Earthed Power Supply

Supplied with UK Plug

KM05018 Automatic Swinging Cow Brush
